

# North Star Mixed International Investment Fund Limited

## Financial Statements

Year to 31st March 2011

## Directors' Report

The Directors have pleasure in submitting their report and financial statements for the year to 31st March 2011.

### General

---

The financial crisis which began in 2007/8 continued unabated during this financial year and continued to have a significant effect on all of the North Star Group business, not least because the sudden contraction of credit availability affected our traditional method of operation with gearing - but also because of poor market sentiment in general.

### Principle Activity

---

During the period the principal activity was investment in listed bonds, equities, futures, options and interest rate arbitrage. All of the Company's activities were outside the Cayman Islands.

### Financial

---

The financial statements are expressed in thousands of Euros. The results are set out in the profit and loss account on page 2. Net assets at close of business on 31st March 2011 amounted to EUR 123.42 per redeemable preferred share (31st March 2010: EUR 125.58 per share).

### Directors

---

The Directors during the period were as follows:

J. S. Clements  
M. Kjøller-Petersen  
C. Magee

---

By order of the Board:

C. Magee – Secretary

12th December 2014

### Review Report

In accordance with the instructions of the Board of Directors, we have reviewed the above financial statements of North Star Mixed International Investment Fund for the period ended March 31, 2011.

These financial statements are the responsibility of the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

Our review was conducted in accordance with Swiss Auditing Standard 910 applicable to review engagements, which requires that a review be planned and performed to obtain moderate assurance about whether the financial statements are free from material misstatement. This review is limited primarily to inquiries of personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.

Based on our review, nothing has come to our attention that causes us to believe that the financial statements do not comply with the financial policies as set out in the notes.

### Futures and forward contracts

The Company enters into forward contracts, options and futures to exploit market opportunities. None were outstanding at the year end.

## Notes - forming part of the financial statements

### 1. Organisation

North Star Mixed International Investment Fund Limited ("the Company") was incorporated on 10th March 2009 as a closed-ended exempted company under the Companies Law of the Cayman Islands.

The Company acquired the whole undertakings of three other Cayman Islands companies ("the Old Companies") with effect from midnight on 15th March 2009. Upon this acquisition the Company issued shares to the shareholders of the Old Companies equivalent to the total net asset values introduced by the Old Companies to the Company. The Old Companies, having ceased their business and having no assets or liabilities, were in due course struck-off and so ceased to exist.

Under the terms of the sale of the Old Company's businesses to the Company the latter has assumed responsibility for all liabilities of the Old Companies, both known and unknown, with effect from midnight on 15th March 2009.

### 2. Significant accounting policies

#### Basis of preparation

The financial statements are presented in thousands of Euros.

The financial statements are prepared on a fair value basis for all financial assets and liabilities at fair value through profit or loss including derivative financial instruments. Other financial assets and liabilities are stated at amortised cost or redemption amount (redeemable shares).

The accounting policies have been consistently applied by the Company and are consistent with those used for the Old Companies.
